EXPERIENCE

WD-PHP TRAINING

2021-2022

Technothrive Solutions | Prayagraj

I have successfully completed my training in WD-PHP Technology from Technothrive Solutions at Prayagraj Center . I have worked on the company's multiple projects and it gave me the experience on working live projects .

- Developing web applications using HTML, CSS, and JavaScript.
- Collaborating with other developers to improve the user experience of websites.
- Testing and debugging code for compatibility with various browsers.
- Implementing responsive design principles to ensure websites are mobile friendly.
- Designing database schemas that support efficient data retrieval on websites.
- Developing custom WordPress themes from scratch according to client specifications.
- Creating website content and designs using HTML and CSS.
